## H1 2011 – Distribution

- Distribution sales 7% >H1 2010 price 5% volume 2%
- Gross margin reduced to 29.2% vs. 29.9% in H1 2010
- Margin similar in H2-10 & H1-11 continued lag effect
- New business is 5% ahead of H1 2010, Unipart, GSi Commerce, Garmin and Honda Logistics
- Overhead costs show a 4% increase vs. H1 2010, reflects investment in people for new initiatives
- 3 older sites in Hayes absorbed into 1 lower-cost site
- Progress on new initiatives encouraging:
  - Presentational Packaging – 150 live prospects – new customers include Lush, Thermofisher, Delphi & Lakeland
  - 3PL Sales – 12%+ growth in 2011

## H1 2011 – Manufacturing Operations

- Labels sales revenue up 6% vs. 2010 – 2% volume
- Recent raw material cost increases not fully recovered
- Own-brand producers see pressure from major retailers, impacting self-adhesive label sales
- Good growth in ReSeal-it – US customer demand and entry into the UK market
- Labels profitable but reduced profitability vs. H1 2010
- Packaging Manufacturing sales 8% > H1 2010 – similar price/volume split as Packaging Distribution
- Manufacturing customers' export-driven growth strong
- Distribution partnership is 24% total sales (2010 –27%)
- Grantham/Westbury both profitable – further improvements targeted in H2 2011

## Pension Deficit

- Investment values at Jun-11 £45.7m vs. £45.3m in Dec-10
- Liabilities at Jun-11 £61.2m vs. £61.0m in Dec-10
- Deficit at Jun-11 of £15.6m vs. £15.7m in Dec-10, broadly similar given unchanged assumptions
- Deficit reduction contributions continue at £2.0m p.a. until conclusion of May-11 valuation early in 2012
- Investment review in H1 concluded on more use of Absolute Return Funds rather than tracker funds
- Investment values will have fallen since Jun-11, increasing deficit, therefore continued management focus
- Continuing to enhance transfer values and introducing pension increase exchange in 2011

## 2011 Strategic Agenda – Distribution

- Focus on customer retention/product penetration
- Gross margin recovery and protection continue to be key
- Build on new business momentum
- Focus on growth sectors e.g. 3PL and internet retail
- Accelerate development of presentational packaging
- Optimise benefit of [www.macfarlanepackaging.com](http://www.macfarlanepackaging.com)
- Additional property savings being delivered
- Further improve cash management, esp. inventories

## 2011 Strategic Agenda - Manufacturing

- Rebuild Labels margin through more beneficial customer mix
- Improve supplier price recovery performance
- Continue to improve operational efficiencies
- Further develop ReSeal-It in US/other geographies
- Optimise benefit of recent ReSeal-It entry to UK market

---

- Building sales momentum in sectors where exports are key
- Improve operating margins at both sites
- Strengthen relationship with Distribution

## Market Outlook and Conclusions

- Cautious on overall demand - mixed outlook by sector
- Trading agenda to drive profits
  - Protect margins and continue strategic initiatives
  - Build ReSeal-It and recover self-adhesive margins
- Busy balance sheet agenda to reduce debt
  - Focus on reduction in inventories
  - Regular review of customer and supplier terms
- Bank facilities of £12.0m renewed until February 2012
- A strong platform for progress in 2011 and beyond, based on the implementation of strategic actions
