Explanation of the resolutions to be proposed at the AGM

Resolution 1 is a standard resolution. Company law requires that the statutory accounts are laid before the Company in general meeting. The Accounts are accompanied by the Directors' Report, the Directors' Remuneration Report and the report of the independent auditor.

Resolution 2 New regulations came into force on 1 October 2013 which require the Company to offer shareholders a binding vote on the Remuneration Policy at least every three years. If approved the policy will come into force on 6 May 2014 and will remain in force for three years. If the Company wished to change the policy before its expiry it would need to seek approval from shareholders.

Resolution 3 requests approval for the Directors' Annual Remuneration Report. This is an advisory vote and votes cast against approval of the Directors' Annual Remuneration Report will not invalidate the Annual Report and Accounts as a whole.

Resolution 4 will, if passed, confirm approval of the payment of a final dividend. The Directors have proposed a final dividend of 1.10p per share, to be paid on 5 June 2014 to shareholders on the register on 9 May 2014.

Resolutions 5 & 6 seek approval for the re-appointment of Directors in accordance with the Company's Articles of Association and the UK Corporate Governance Code as it applies to companies outside the FTSE350. The biographies of the Directors seeking re-election which appear in the Annual Accounts are repeated here for ease of reference:

Peter Atkinson, Chief Executive, joined Macfarlane Group as Chief Executive on 6 October 2003. He has a strong sales and marketing background through his career at Procter & Gamble and S.C. Johnson. Peter also has significant general management experience gained during his time at GKN PLC and its joint venture partners where he worked from 1988 to 2001 in a number of senior executive roles in their business-to-business operations. He has a successful track record of both business turnarounds and business development with extensive exposure to international business, having worked in the UK, Continental Europe and the USA. From 2000 to 2003, he was responsible for the US automotive and materials handling businesses of Brambles Industries PLC.

John Love, Finance Director, is a member of The Institute of Chartered Accountants of Scotland, and has been with the Group for eighteen years and was appointed Finance Director on 12 July 1999. He was with Deloitte and its predecessor firms for sixteen years before joining Macfarlane Group in 1996.

The executive directors continue to lead the successful implementation of the strategy and the Board recommends these appointments.

Resolution 7 seeks shareholder approval to appoint KPMG LLP as auditors of the Company. KPMG Audit PLC has announced the intention to transition the audit engagement to KPMG LLP. Therefore KPMG Audit PLC is not seeking reappointment. Therefore the Board has decided to propose KPMG LLP for appointment as auditor.

Resolution 8 is proposed as a special resolution, requiring a majority of 75% of those voting to be in favour. If the directors wish to allot equity securities for cash they are required to offer those equity securities first to current shareholders in proportion to their existing holdings. This resolution requests authority for disapplication of pre-emption rights up to a nominal amount of £1,437,738 being 5% of the Company's issued share capital as at 21 March 2014. This amount is in line with institutional shareholders recommendations. The authority, if granted, would supersede a similar resolution passed at last year's AGM.

Attendance at AGM and proxy voting

1. A member entitled to attend and vote at the Annual General Meeting (the "Meeting") is entitled to appoint another person as his proxy to exercise all or any of his rights to attend, speak and to vote at the meeting. A proxy need not be a member of the Company. A member may appoint more than one proxy provided that each proxy is appointed to exercise the rights attached to a different share or shares held by him.
2. A shareholder attending the meeting has the right to ask questions relating to the business being dealt with at the meeting in accordance with section 319A of the Companies Act 2006 (the "Act"). In certain circumstances prescribed by the same section of the Act, the Company need not answer a question.
3. Information regarding the meeting, including the information required by section 311A of the Act, is available from www.macfarlanegroup.com.
4. A form of proxy is enclosed with this notice. (Please note that this is different to the alternative method of submitting proxies using CREST which is described in Note 5 below). To be effective the instrument appointing a proxy must be completed and deposited, together with the authority (if any) under which it is executed or a notarially certified copy of such authority, at the office of the Company's registrars, Equiniti Limited, Aspect House, Spencer Road, Lancing, BN99 6DA (the "Company's Registrars") not later than forty eight hours (disregarding any day that is not a working day) before the time appointed for holding the meeting, being 12 noon on **Thursday 1 May 2014**. Completion and return of the form of proxy does not preclude a member from attending and voting in person at the meeting. To change your proxy instructions simply submit a new proxy appointment using the methods set out above. A replacement proxy form may be obtained by contacting the Company. To revoke your proxy instructions, please contact the Company's Registrars by no later than 12 noon on Thursday 1 May 2014. However, if you have appointed a proxy and attend and vote at the meeting in person, your proxy appointment will automatically be terminated when you exercise your vote. If you are not a member of the Company but you have been nominated by a member of the Company to enjoy information rights, you do not have a right to appoint any proxies under the procedures set out in this notice. Please read note 6 "Nominated persons" below.
5. CREST members who wish to appoint a proxy or proxies by utilising the CREST electronic proxy appointment service may do so for the meeting and any adjournment(s) of it by using the procedures described in the CREST Manual (available from <https://www.euroclear.com>). CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a CREST Proxy Instruction) must be properly authenticated in accordance with Euroclear UK & Ireland Limited's (EUI) specifications and must contain the information required for such instructions, as described in the CREST Manual. The message must be transmitted so as to be received by the issuer's agent (ID: RA19) not later than forty eight hours (disregarding any day that is not a working day) before the time appointed for holding the meeting, being no later than 12 noon on Thursday 1 May 2014. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that EUI does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

6. If you are a person who has been nominated under section 146 of the Act to enjoy information rights, you may have a right under an agreement between you and the member of the Company who has nominated you to have information rights ("Relevant Member") to be appointed or to have someone else appointed as a proxy for the meeting. If you either do not have such a right or if you have such a right but do not wish to exercise it, you may have a right under an agreement between you and the Relevant Member to give instructions to the Relevant Member as to the exercise of voting rights. Your main point of contact in terms of your investment in the Company remains the Relevant Member (or, perhaps, your custodian or broker) and you should continue to contact them (and not the Company) regarding any changes or queries relating to your personal details and your interest in the Company (including any administrative matters). The only exception to this is where the Company expressly requests a response from you.
7. In accordance with Regulation 41 of the Uncertificated Securities Regulations 2001, only those members entered on the Company's register of members no later than 6.00pm on Thursday 1 May 2014, or in the case of an adjournment, as at 48 hours (disregarding any day that is not a working day) prior to the time of the adjourned meeting shall be entitled to attend and vote at the meeting.
8. A corporation which is a member can appoint one or more corporate representatives who may exercise, on its behalf, all its powers as a member provided that no more than one corporate representative exercises powers over the same share.
9. As at 6pm on 21 March 2014 the Company's issued share capital comprised 115,019,000 Ordinary Shares of 25p each. Each Ordinary Share carries the right to one vote at a general meeting of the Company and, therefore, the total number of voting rights in the Company as at 6pm on 21 March 2014 is 115,019,000.
10. Any member who has a general query about the meeting should contact the Company Secretary by post at the Company's Registered Office. No other method of communication will be accepted. You may not use any electronic address provided in this notice of the Meeting or any related documents (including the form of proxy) to communicate with the Company for any purposes other than those expressly stated.
11. Under Section 527 of the Act members meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the auditors' report and the conduct of the audit) that are to be laid before the Meeting; or (ii) any circumstance connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with Section 437 of the Act. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with Sections 527 or 528 of the Act. Where the Company is required to place a statement on a website under Section 527 of the Act, it must forward the statement to the Company's auditors not later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM includes any statement that the Company has been required under Section 527 of the Act to publish on a website. Any request pursuant to section 527 must be received by the Company at least one week before the meeting to which it relates.
12. Copies of each director's service contract and non-executive director's terms of appointment with the Company, or with any of its subsidiary undertakings are available for inspection at the registered office of the Company during usual business hours until the time of the meeting and will be available for inspection at the Thistle Hotel Glasgow, 36 Cambridge Street, Glasgow G2 3HN for at least 15 minutes prior to and during the meeting.
13. Shareholders who prefer to register the appointment of their proxy electronically via the internet can do so through Equiniti's website at www.sharevote.co.uk where full instructions on the procedure are given. The Voting ID, Task ID and Shareholder Reference Number printed on the proxy form will be required in order to use this electronic proxy appointment system. Alternatively shareholders who have already registered with Equiniti's online portfolio service, Shareview, can appoint their proxy electronically by logging on to their portfolio at www.shareview.co.uk and then click on the link to vote. A proxy appointment made electronically will not be valid if received after 12 noon on Thursday 1 May 2014.
